wildfire motors 150cc scooter wiring diagram full web page wiring diagram for wildfire motors 150cc scooter WFH150-S.

Dan's bike "wiring diagrams" seems to me it was a 1965 or sixty six type. The entire wires had been one colour, white. I discovered it arduous to believe however it was true. I had to minimize into the wiring bundle and separate each cord and test it till I in the end found the fault. So today's wiring is lovely excellent. Listed here are some wiring diagrams so you can see what I mean.
